Vehicle Offer: UAZ 2924 Hunter

Basic Technical Description

The UAZ 2924 Hunter AMC is absolutely unique and exceptional for today's time. It holds up its military origins and brings extraordinary abilities when driving off-road, but it also brings surprising comfort on road. The Hunter is made of robust steel and insurmountable foundations, which is a durable ladder frame with high torsion and two solid axles. Thanks to that, it ensures a long lifespan and minimal maintenance costs. By having only two seats, there is a very large cargo space for your everyday hauling.

Engine ZMZ 40906

This enhanced spark-ignition 16V engine is equipped with BOSCH multi-point fuel injection. It has linear output and torque curves, which implies its predestination for both comfort on-road driving and off-road operation in harsh conditions. This original Russian engine excels in cultivated running, reliable design and long lifespan. It can be modified to alternative operation on LPG or CNG.

Fuel:	Petrol
Engine capacity:	2693 mm ³
Output:	99 kW / 4600 rpm
Torque:	217 Nm / 3900 rpm
Fuel consumption:	11,4-11,6 l/100km

additional info

This car's layout ensures an ideal relationship between the passenger seats and size of the cargo space, while maintaining a compact size. Balance is one of main focus points of the UAZ Hunter, which is getting more and more popular. Real off-road built vehicles are slowly disappearing from the market but the UAZ 2924 Hunter AMC is staying right here. It lives on, and complies with all legislative regulations.

Information

Payment terms and conditions

An advance payment of at least 80% is required when ordering a new vehicle from Russia. It can be agreed individually.

Vehicle delivery period

When ordering a new vehicle from Russia the delivery time is 6-9 months if the vehicle is not in stock at the manufacturer.

UAZ AMC vehicle warranty conditions

The standard warranty period provided by the importer according to the vehicle price offer is 24 months or up to 100 000 km driven, whichever occurs first. Warranty conditions can be agreed individually with the business entities: the vehicle warranty period can be reduced upon agreement with the customer in the form of a discount, or extended upon a surcharge. The warranty period cannot be reduced in case the customer is a natural person. Terms and conditions are governed by bilaterally signed vehicle warranty conditions which constitute an integral part of the purchase agreement and handed over documentation.

UAZ AMC vehicle warranty repairs

In case a failure occurs within the warranty period, it can be claimed:

1. at warranty service of AMC spare parts s.r.o., business address: Radíkovice 19, Hradec Králové 503 27, Czech Republic or at another chosen warranty service centre within the AMC service network (Warranty service centre is authorized to perform warranty repairs without a consent of the seller)

2. at the seller, who, if necessary, issues a single license - written agreement with the specific defect repair at the selected service centre within the AMC network (Authorized Service is not authorized to perform warranty repairs without the consent of the seller)

Regular service of UAZ AMC vehicles

1. AMC Full-Service:

Regular vehicle service (as prescribed by the periodic maintenance in the service booklet) is provided by a service centre of the importer, authorized by AMC spare parts s.r.o., business address: Radíkovice 19, Hradec Králové 503 27, Czech Republic and through AMC full-service. The vehicle can be for a pre-agreed fixed fee regularly taken to be serviced by the importer and after performing the service it is immediately returned to the customer. There is full liability insurance for the vehicle taken. We recommend it for vehicles used in the Czech Republic and neighbouring countries.

2. Service through the network of authorized AMC service centres:

Regular vehicle service (as prescribed by the periodic maintenance in the service booklet) is provided by a contractual authorized service centre of the importer. It is guaranteed that the service centre is located within 40 km from a place of the vehicle operation. The authorized service centre is obliged and entitled to carry out the vehicle full service and repair works paid by the customer. The authorized service centre is not automatically entitled to exercise the rights of the buyer resulting from the warranty, but after a specific written consent of the seller it can be entitled to settle them.

3. Find your service

Do you know a service centre in your neighbourhood that you would like to use for the maintenance of your new UAZ vehicle? Do you know that they charge reasonable prices, have an experienced staff, good references and satisfied customers? Just ask. In case of interest, we are ready to sign a vehicle service authorization contract with your chosen service centre and to include it into the AMC authorized service network.
